TO WHOMSOEVER IT MAY CONCERN

Verite HR's work with our organization has been very well received. The in-depth workplace assessment, organisation restructuring and competency mapping helped substantially better the functioning of the organisation. The work with us on revamping the appraisal system was also adopted effectively by the staff and Management

Reva Prakash is a seasoned professional backed by her long career and experience in dealing with challenging human resources management issues and is able to bring correct and calm advice to an organization. Her dedication to clients is apparent, and she is always quick to respond to our needs. Reva is a trusted advisor and I highly recommend her services.
